

ciatu®
SOUL OF SICILY

Ciatu is a sicilian
word that litterally means
“breath”. The brand
“Ciatu” stands for Sicily,
it’s its souls, its breath.

Ciatu comes from the idea of Andrea Spatola who, moved by passion for his own land, decides to promote and enhance the cultural heritage of Sicily through the creation of unique cosmetic products that create an exclusive sensory journey recalling the smells, the colors, the passions, the sobriety, the excesses and the mysteries of Sicily, whose beauty is enclosed in the strength of its contrasts.

All the luxurious products of the brand Ciatu are entirely hand-made by Sicilian artisans,

using raw materials such as olive oil and millefiori honey, organics, natural, biological and produced in Sicily.

The elegant packaging that keeps Ciatu products is an expression of high design and characterized by beautiful

illustrations made exclusively for Ciatu by Sicilian artists who portray in an original way, archaeological finds and artworks belonging to the cultural heritage of Sicily.
